Contexto: "É aluno da Universidade de Aveiro e reparas que tens novas tarefas/exames de IHC tanto no eLearning como no Paco e precisas de as exportar para o seu calendário pessoal. Para isso vai utilizar a nossa aplicação para ir buscar todos os eventos de IHC do calendário do Paco e do eLearning. Visto que a importação irá conter algum "lixo" vai proceder a uma filtragem e a umas pequenas transformações nos eventos. Finalmente, exporta o calendário."
